

Lynden Blades – Sax Made Simple

The Banana Lick—Lets have a banana!

Here's the lick in A-7: **B G# E C B A**

If we think about A harmonic minor, the notes are A B C D E F G# A, and the chord tones are

A	C	E	G#	B
1	3	5	7	9

So this lick is almost exactly the same as the descending chord tones of the harmonic minor except for one note!
