

THE C MAJOR AVAILABLE POOL OF NOTES

SAX MADE SIMPLE

ONE POOL - SEVEN MUSICAL CENTRES

C major gives us one available pool of seven notes. We can begin from any one of them and hear that note as the musical centre.

THE FIRST SATELLITE SCALE IDEA

From A Aeolian, select A, C, D, E and G to create A minor pentatonic.

Add E-flat to that five-note pool and it becomes the A blues scale.

The new scale is connected to the original pool - not an isolated ladder.
